I think this Hospital Assistant may be granted an allowance of 10 Rupees all the year round. This is better than giving him nothing when at headquarters & allowance at varying rates when on tour.

W 23-7-96

This was not asked. He may be given allowances during his travels in the Mysore Dist. In such & in such parts accy. to the sanctioned rates. The allowance may be paid from the Budget of the Dept. he is serving, as supported by the Off. Secy. Surgeon

THE STATE GEOLOGIST.

The Secretary to the Government of
Mysore, Revenue and General
Departments.

SIR,

I have the honor to bring to
the notice of Government the case of —
3^d class Hospital assistant Suddannah attached
to this department, who has represented to me
that he is a considerable loser as compared to
other hospital assistants attached to Local
Fund Dispensaries in outlying Districts, for
the reason that the rapid wandering life
in camp which is necessitated by the —
field work of the department for many months
every year, prevents him from having any
opportunities

opportunities for private-practice of his profession such as are enjoyed by many of his brother-hospital assistants, who hold stationary appointments.

He is not only debarred from this legitimate source of extra emolument but he receives no extra allowance such as is granted to the Hospital assistants in charge of Local Funds Dispensaries, who receive - respectively Rs. 10 per mensem in Mairan Districts, Rs. 15 per mensem in Semi Malnad Districts and Rs. 20 per mensem in Malnad Districts.

The Senior Surgeon with the Mysore Government Dr. Benson with whom I talked over Siddannah's case is strongly of opinion that the man is entitled to an equivalent allowance when on tour in outlying districts and embodied his views

in

in a letter to me of which I annex a copy. Such being the case I have the honor to — propose that Siddannah or any other Hospital assistant attached to this Department in his place be granted a special allowance at the above rates during the time he may be in camp according to the nature of the district he has to travel in with the Field party.

I feel the more justified in making the recommendation as Hospital assistant Siddannah's conduct since he joined the department has been all that could be desired. He has been sedulous on his attendance on the sick and by his care has prevented the — necessity of many members of the department having to leave the field and go into station for Medical treatment to the great saving to Government of valuable time and indirectly of considerable outlay.

I sincerely trust the Government will —
sanction the increase I have asked for a
very good and deserving man.

I have the honor to be,
Sir,

Yours most obedient servant

formed by him.
